### **Subject: Disadvantaged Business Enterprise (DBE) Certification Approval**

Dear Ms. Brammell:

I am pleased to advise you that after careful review of your application and supporting documentation, the California Department of Transportation (Caltrans) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation's Code of Regulation 49 CFR Part 26, as amended. This certification is also recognized by all USDOT agencies in California.

Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific area(s) of expertise that you have identified on the NAICS Codes form of the application package:

NAICS Category Codes	Description
541620	Environmental Consulting Services

Work Category Codes	Description
C8713	Consultant, Environmental

Your DBE certification applies only for the above code(s). You may review your firm's information in the CUCP DBE database which can be accessed at Caltrans' website at [www.dot.ca.gov/hq/bep/find\\_certified.htm](http://www.dot.ca.gov/hq/bep/find_certified.htm). Any additions and revisions must be submitted to Caltrans for review and approval.

In order to assure continuing DBE status, you must submit a No Change Declaration form (which will be sent to you), along with supporting documentation. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until or unless it is removed by our agency.

Also, should any changes occur that could affect your certification status prior to receipt of the No Change Declaration, such as changes in your firm's name, business/mailling address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify us immediately. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

Caltrans reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records, and documents by Caltrans.

For information on DBE contracting opportunities, please visit our website at <http://www.dot.ca.gov/hq/esc/oe/>.

Congratulations, and thank you for your interest in the DBE Program. I wish you every business success and look forward to hearing from you if I may be of any assistance to you in this regard.

Sincerely,

MARYLEE MIGLINO
